

School Cross Country 2020

Thursday 3rd September
Postponement day: Tuesday 8th September

Cross Country Day will be held on Thursday 3rd September. All races will be held in **age groups**.

As we remain in Level 2 COVID restriction, unfortunately we cannot have spectators at this year's Cross Country. We will make alterations to the day to accommodate these restrictions. This is in alignment with current government guidelines at Alert Level 2.

The 5, 6, and 7 year old races will take place on school grounds with a variety of obstacles. The 8, 9, 10+ year olds will run on both the school grounds and the reserve outside of the grounds, **so they will have to run in shoes.**

Children **do not** need to wear school uniform on this day. They must come in appropriate running clothes (and house colours if possible). Children can come dressed up! There will be prizes for the best dressed in each age group. They will also need a drink bottle and a jacket for before/after their race.

Schedule

Approximate times only

9:30	8 Year old Girls
9:45	8 Year old Boys

House Colours:

Pohutukawa - Red
Rimu - Blue
Totara - Green
Kauri - Yellow

The selection of our interschool cross country team will be based on performances obtained during the race and training sessions. Interschool Cross Country is for 8 year olds and older. Consistency, effort and dedication during training will also be taken into account when selections are made. Team numbers may vary per age group depending on these factors.

The fundraising committee will be selling popcorn and ice blocks on the day. Students are able to purchase on the day.
