Kia ora e te whanau,

We hope this newsletter finds you all well and enjoying the slightly longer hours of sunshine that is Spring! We are appreciative of your support of our Level 2 guidelines and understanding when it comes to not being able to be involved in as many activities as we would normally.

Special congratulations to the Tuakana team speech winners and finalists. All of the tamariki who wrote and presented their speeches in class should be proud of their efforts and those who made it through to the next level deserve the acknowledgement of their successes! The topic choices and way they presented their arguments showed skill and a deeper level of thinking.

The weather on Thursday was fantastic, contributing to an excellent cross country for our tamariki. I know it's disappointing for you not to have been able to come along to cheer on your children under Alert Level 2, however we all really appreciate your ongoing support and consideration for all of the children during these unusual times.

We had a pleasing visit with our ERO reviewer earlier in the week. He visited a couple of our classrooms and met with our leadership team who shared some of the curriculum and strategic successes. We have one more visit next term then expect to return to a 3 year review schedule! This is exciting news for our school, we can't wait for you to read the final report later this year so you can celebrate with us!

Tania (Principal) and Tania (Deputy Principal)

GET WIGGY FOR KIDS WITH CANCER ON WIG WEDNESDAY!

Every week in New Zealand three families hear the devastating news their child has cancer. Chemotherapy means some of these kids have to face the world with no hair.

Pakerau School have committed to help these kids by joining thousands of ordinary Kiwis at schools, companies, and community groups who will wear a wig, shave their heads or style a funky hair-do to **raise money on Wig Wednesday**.

Wig Wednesday is on Wednesday 9 September, 2020

please bring a gold coin that we will donate to the
Child Cancer Foundation.

Pekaeru School Policies

Our school has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community.

Our policies and procedures have been tailored to our school, describing our procedures for behaviour management, reporting to parents inline with legislation and/or Ministry guidelines, significant events, reviews/requests from schools, and regular review. We will advise you when policies are up for review by the Board of Trustees and how you can take part in the review.

We invite you to visit the site at:
