"The Pekerau Way"

Nga mihi nui ki a koutou,
Greetings to you all

Farewell Assembly

On Tuesday we said goodbye to Tracey Gray who is joining Cargill Open Plan School in Tokoroa to become Deputy Principal. She has given many years of dedicated service to Pekerau and we wish her all the best in her new adventure.

Mufti Day on Friday

To support a wonderful cause (and our Pekerau whanau) we are going to have a mufti day on Friday with all of the money donated going towards Stop The Bus. They are having a community event in Te Awamutu on Sunday and it would be great to have as many of our community supporting this as possible. Please support this great cause with a gold coin donation.

End of Term Celebration Assembly

On Friday we will be having a special end of term celebration assembly where students who have excelled during the term will be given a certificate that congratulates them on their hard work, effort and achievement. We hope to see as many of our Pekerau community there as possible.

Welcome

I am delighted to inform you that Kate Muller has been appointed as our new teacher in the Senior School and will commence this role at the beginning of Term 3. Kate has completed her Masters in Teaching and Learning and will be a great asset to our teaching team.

I am also delighted to welcome Catherine Monkley who joins us as our Office Assistant. We know that you will make them feel very welcome as part of the Pekerau whanau.

Pekerau Fundraising 2017

This year we are wanting to raise funds of \$20,000 to provide swimming lessons for all of our students.

Our goal is to provide 8 free swimming lessons for each child at the Te Awamutu Events Centre as we believe that this is a hugely important life skill that all New Zealanders must acquire.

As we do not have a school pool we must provide lessons off site and the \$20,000 will enable us to transport our boys and girls by bus, and to gain entry to the pools.

We are committed to providing this opportunity for our children and our aim is to make this sustainable for years to come. Any help that we can receive will be greatly appreciated.

Water Safety NZ reports that 108 lives were lost as a result of drowning in 2016.

- 81 (75%) of these were considered preventable.
- Of these, 3 were under fives, 3 aged 05-14 years

Lack of competence and confidence in the water is a huge concern for Water Safety NZ and to us at Pekerau School. We dream of providing an aquatic education programme that includes learn to swim, but also develops water safety skills and aquatic knowledge, skills and behaviours as we believe that this is the answer in creating the long term change we want to see in our drowning toll.

This approach equips Kiwi kids with the knowledge and skills they require to keep themselves and others safer in, on and around water as the youth and adults of the future.

Rippa Rugby Tournament

On Friday 23rd of June, 9 of us went to Frankton rugby club for a day of rippa rugby. When we got there we only had the TA sports van for shelter, because Mr Franklin forgot to bring a canopy for all of us while it was raining.

So we go to our first game on the muddiest field ever in history, we came up against Matamata. It was a good and hard core game but we could not get any traction on the field, but with our awesome team we won. After the game we were the muddiest monsters ever.

20 minutes later we got our second game it was against Hukanui second team. We lost but it was a fun game and we were laughing the whole game. The score was 6 tries to 5 tries, we were on field 9 and it was not that muddy.

We played Frankton and smashed them 7-1 it was the funniest game ever.

We got to the quarter final against Hukanui best team and lost 7-2.

Gymsports

It was great to see our Pekerau Gymnasts competing at the Gymsports competition on Wednesday at the Events Centre.

They did wonderfully well, displaying all they have learnt during the term. Thank you to Mrs Herdman and Mrs Leitch for coaching the team and for making a difference outside of the classroom. It is greatly appreciated.
