Tena koe Pekerau Families,

Another busy couple of weeks has passed us by with many great opportunities for the children, including the successful Middle School Market Day, the Junior School Athletics Day and Room 3's Innovation celebration!

We are gearing up for our end of year achievement celebrations. We have a new look, invitation only Year 6 Graduation being held at the TA Sports club next Friday 7th of December. We are very fortunate as a school to have generous sponsors who have covered the cost of new trophies for this event and look forward to sharing the recipients names with you at a later date!

On Tuesday 11th of December we welcome all parents, whanau and community members to celebrate the whole school's achievements together at our Prize Giving in the hall.

Our final day of school is Friday 14th of December, **please note we are finishing at the earlier time of 12.00pm** on this day. While buses will be running at the usual time there will be no teachers available to look after the children in the afternoon so please make other arrangements for them.

Our Grocery Raffle is looking amazing!!!

Thank you for all of your donations.

The tickets are available at the office for purchasing or taking home to sell to your whanau for \$2

Every Day Counts!

In the week from the 19th -23rd of November the whole school attendance dropped to 89% (down from 91% in the last newsletter).

Well done Room 14 who had the best attendance during this week with 95% of the class present everyday.

Board of Trustees Meeting
Monday 10th December
5.30pm
IN the staffroom

This week the Junior Team enjoyed competing in a range of athletic activities. It was fantastic to see everyone enjoying themselves and having a go. After morning tea, we watched each age group race in the 80 metre sprints. All of the races were close and the finalists were spurred on by the enthusiastic spectators.

We have also had Youthtown. The children are learning to do long jump and shot put correctly. Once the children understood how to land correctly they were able to have a go and jump further.

Not only have we been learning athletic skills, we have also been coming up with art activities where we can recycle everyday items and turn them into some type of artistic creation. We hope you like what they have made so far.

**Last Day of School
