Kia Ora Pekerau Whanau,

This is our last paper newsletter. Next term our newsletter will only be available online so it's imperative that we have your correct email address. Please email the office at office@pekerau.school.nz We have had a really positive first term this year! Our new teachers and students have all settled in, with Team Pekerau all paddling in the same direction as we continue to work on our collaborative and individual goals to ensure we sustain accelerated student achievement and a happy, safe kura for us all to enjoy. We recently gathered a small sample of whanau voice at the Marae noho and we have planned more opportunities to consult with our families and community next term on topics important to Pekerau. Have a wonderful relaxing holiday with your children.
