Kia Ora Whanau and Parents,

Pekerau School Book Week was a real success. We were fortunate to have award winning author and Pekerau parent Kat Merewether come and share her talents with the children. The book character dress up day was a fantastic way to end a busy week. Friday's assembly was lots of fun with so many fantastic costumes on display!

Hopefully you are able to come along to our Whanau Hui-Community meeting this Thursday. This is an opportunity to hear factual information from a Principal that has established a reo classroom at another school, to share your views and opinions with us and to have any wonderings addressed. The meeting is not just for our Maori community, we want everyone to come along.

Pekerau Car Park

You may have noticed that our school gate is finally working again. We keep it closed in the morning and afternoon when the children are coming and going in an effort to reduce the traffic to KEEP THEM SAFE.

The school car park is for staff parking only.

Thank you for choosing a sensible place to park your car that doesn't block our driveway or put school pedestrians in harm's way.

A Message from the Board of Trustees

This Friday, the School's new Board of Trustees will be taking office for the next three year term. As an outgoing Board, we would like to first wish Kerry, Awhimai, Maia, Marie, Emma and Riss all the very best for their new role. As board members, the role is a rewarding one with much of the work involved being behind the scenes. We are excited for the future of Pekerau to have these enthusiastic whānau members take up the reigns and continue working hard with our staff, for our tamariki.

As an outgoing board, we are confident that we are leaving our kura in safe hands. Tania Heke, Tania Bagley and their leadership team have a very clear strategic vision for the school moving forward which embraces Te Ao Māori and treasures relationships with mana whenua and our community as part of the learning journey of our tamariki. The ongoing focus on the educational success of our tamariki to ensure they are ready to face the challenges of the world, are culturally aware and inclusive, are resilient and empathetic, and are true Pekerau stars, makes us very proud.

We thank every staff member that has made, and continues to make, Pekerau the great school it is - thank you for all the tireless hours and effort each and everyone of you put into your role. Thank you to the Pekerau community for your support of Pekerau – our school cannot do what we do without our whānau support. Thank you to our respective partners and whānau for the support you have given us as Board members to be able to fulfil our role in the best way we could.

Finally thank you to the tamariki – the reason why we are all here! You all inspire us every day with your capacity and enthusiasm to learn and improve and be the best possible versions of yourselves. Ko koutou ngā rangatira mo apōpō – you are the leaders of tomorrow.

The aspirations of the world can be found in the eyes of our children
